Within the rules of UK Athletics, and under the control of England Athletics, the Club is required to furnish the name, address and date of birth of all active athletes, officials and Committee members for their registration scheme. In the case of first claim active athletes over 10 years of age an annual payment is required. The Club will register itself as a Club for Race Walking only and will submit the

details of such members who agree that they should be registered under the England Athletics Rules. The payments paid by the Club on behalf of active athletes will be recovered from these individuals through a supplement to be paid each September in respect of the amounts to be paid during the ensuing year. Non-payment by the due date of payment to England Athletics (currently 1st April) will mean that the athlete will not be registered. Apart from this the Club will continue to register each individual until they confirm to the Hon.Secretary, in writing, of any change in their situation in relation to this registration scheme.

10. Annual Subscription.

The annual subscription for members shall be payable on election and subsequently on the 1st September in each year, providing, however, that in the case of members elected after 1st June in any year their subscription shall not become renewable until the 1st September in the following year. ject to re-election in accordance with Rule 8.

12. Welfare.

The club will observe the welfare policy and procedures for Athletics in the UK. Rules 13, 14 and 15 expand the significance of this rule. They set out the Club's Welfare principles, the broad areas of Welfare activity and summarise the UKA procedures. The full text of the UKA's Welfare document shall be available for inspection by all members from the Hon. Secretary or the Welfare Officer. In view of the rather different welfare situation as it applies to the Club's Strolls, the Club will observe a similar but specific set of procedures applying to these activities. The relevant document shall be available from the Hon. Secretary and the Hon. Strolls Secretary.

13. Child Protection/Welfare Policy

In, the words of the UK Athletics Welfare Policy the Club "believes that everyone involved in athletics should thrive, fare well and enjoy safety, security and protection from abuse, maltreatment or misconduct. Every individual involved in athletics events and programmes is responsible for upholding this belief. It also recognizes that it has a responsibility to ensure the highest standard of care to all (including children and vulnerable adults) involved in athletics".. The Club will support the Aims, Principles and Actions set out in the UKA Welfare Policy.

14. Welfare Procedures – Areas of Activity

These are as set out by the governing body for athletics in the UK in the relevant document. All members of the Club will accept that in relation to welfare and protection it is not their responsibility to judge whether or not a welfare violation has taken place but it is their responsibility to act on any concerns they may have. The actions are those set out in the welfare policy and cover the four main dimensions of welfare:

- a) Recognizing and referring.
- b) Observing and encouraging good practice.
- c) Taking precautions to avoid being in situations which may give rise to concern.
- d) Safeguarding the good name and integrity of the sport of athletics.

5. Welfare Procedures – Summary of UKA Welfare Procedures

The UKA document is extremely comprehensive and describes the procedures for recruitment into the sport, including active Club roles and dealing with problems and complaints both involving the Sport's paid and voluntary officers, officials and coaches. It details actions to be taken in connection with bullying, substance abuse and physiological burnout and also where expert support and advice should be obtained. Specific guidance is given in respect of certain aspects of athletics – photography, trips away from home and inter-personal relationships etc. Rules and forms are provided for the proper investigation, reporting and dealing with all welfare issues. The document also deals with cases where Club officials' duty of care extends outside of the Club when the Club is faced with evidence of certain welfare problems at home or elsewhere. All members should be aware of both the importance and scope of the responsibility of the Club and its members and also the importance of following the procedures laid down. This is not only for the benefit of the children and vulnerable adults concerned but also to protect the Club for any accusation that it has failed in its duty of care in a practical or legal sense.

16. Expulsion.

Any Member infringing any of these rules or who is guilty of any misconduct, other than those concerned with Child Protection/ Welfare (Rules 13. & 14) or subscription payments (Rule 10.) where the relevant rules will override as necessary, will be subject to the following procedures:

The Member concerned shall receive written notification of the outcome by hand or by recorded delivery within seven days of the decision.

The Member concerned may appeal against any decision as allowed in the UK Athletics Rules.
