Note: England Athletics Grouping

Under the new rules for Athletics in England some members, particularly those wishing to compete for the Club as First Claim Walkers will be registered with England Athletics. The Club has set up a number of groups and all members will belong to one of these. If you cannot find which group applies to you then contact the Hon.Secretary or any Club officer. A payment of £5 per annum must be paid in the case of groups 1 and 8 only. Most Strolling members will fall into group 10 and the scheme will not effect them and they will not be registered with EA.

Group	Description
1	Racing Active Athlete First Claim
2	Racing Active Athlete First Claim Under 11
3	Racing Active Athlete First Claim Foreign
4	Racing Active 2nd Claim 1st Claim Walker
5	Racing Active Athlete Second Claim
6	Racing Official/Officer/Coach Registered
7	Racing Inactive Unregistered
8	Stroller Active Athlete
9	Stroller Registered Officer
10	Stroller Unregistered
11	Non-member (only used on file for past members)

All members wishing to take part in races, particularly Southern and National Championships must be registered and in the case of first Claim walkers pay an additional £5 which will be paid by the Club on the members behalf. In order to do this the member will pay the Club, initially with this application form and in future with their annual subscription, the amount due to EA in advance.

In signing the application form the member accepts that the minimum information (name, address and date of birth) will be registered with EA if the group number requires it (all except 7 and 10). In cases 1, 8 and 12 the applicant also is agreeing to pay the EA supplement (currently £5). In cases 4 and 5 the applicant need not pay Surrey Walking Club the additional amount but does declare that their EA supplement is being paid by their first claim club. These applicants should also fill in their England Athletics Unique Reference Number in the appropriate box.
